

## **CONTRACTOR'S WORKING RULES**

### **WORKING HOURS**

- A. No demolition, construction work or deliveries may take place outside the hours of 8 am to 5 pm on weekdays, 8 am to 12 noon on Saturdays, and at any time on Sundays and Public holidays. Noisy and disruptive site works, for example, groundworks, digging out of a basement, piling and other works associated with site preparation shall be prohibited on Saturday Mornings.
- B. Contractor Gardeners are to adhere to these working hours (as above) when using machinery e.g. Mowers, Leaf Blowers, Chainsaws and Hedge Cutters, etc.,

### **ROADS**

The Roads on the Estate are narrow and neither built nor laid out to public road specifications.

- C. Steel tracked vehicles of any kind are prohibited from Estate Roads.
- D. Contractors should not use 5 or 6 axle vehicles – without express permission from the Estate office.
- E. No contractor's vehicles or building materials or refuse skips are to be parked or deposited on the road – without the express permission of the Estate office.

### **VERGES**

Verges are the property of Wentworth Estate Roads Committee.

- F. Parking is prohibited on all estate verges.
- G. Verges shall not be used for the storing of building materials or rubbish.
- H. No skips are to be placed on verges.
- I. No notice board or sign is to be erected on any verge.
- J. Any damage to verges in the vicinity of the development must be repaired within one week of its occurrence.

### **CLEANING OF VEHICLES**

- K. All vehicles leaving site must be cleaned to prevent mud or other materials being deposited on the Estate roads. Any mud on the roads must be removed daily.

### **NOISE AND DUST**

- L. Contractors must at all times cause the least possible nuisance to the neighbourhood. Noise (including radios) must be minimised and the spread of dust controlled by watering
- M. No Fires are allowed on site.
- N. No delivery or collection of material or plant is to take place outside the working hours set out in A. above.
